

President's Message

December 12, 2022

As we enter the holiday season and prepare for our 2023 membership drive, I want to share my favorite cocktail recipe with you. This may sound odd, but I think each of you might be interested in this one and sure hope you will give it a try. My current cocktail is one part Exercise, one part Social and one part Fun... I call it "The Club". For 2023 I'll be adding a small twist to the mix. I'm going to increase the blend to two parts Fun.

I need your help to make "The Club" the best cocktail in the Village. You can help by joining the Racquet Club and volunteering a bit. If we each contribute to this cocktail, we will be the healthiest and "funnest" club in OHCC. Winning shouldn't always be the target. Let's do this for our health. Stay social, get exercise, and laugh more.

"The Club" will be a very busy place in 2023. We are scheduling tournaments, an outdoor dinner-dance, lessons and classes for all, better prizes, volunteer recognition event, more small court events, special member gifts, a very special social event in September, and of course "The" Game Day will return bigger and better. Whether you play tennis, pickleball, paddle tennis or badminton, we'll have something for you.

Along with a great RC Board, I will be working hard to make the Racquet Club even more fun for 2023. If you agree with me, please join the Racquet Club and get involved ... **Just For the Fun of It!**

Happy Holidays!

Bob James

President, OH Racquet Club
