DAILY SCHEDULE: Supersedes this general schedule. It's posted at courts and available online. Includes court maintenance closures and special events.

GUEST RULES:

- Pickleball **morning** drop-ins are for residents only, no guests. PM drop-ins OK for guests. Paddle tennis has no drop-in guest restrictions.
- Guests OK during open play; maximum 4 guests per resident; resident must be present at court.

ADVANCE RESERVATIONS: Any resident may make up to two reservations per court type per day using the Skedda system (ohccracquetclub.skedda.com) up to 7 days in advance to use with other residents and/or with their guests. The advance reservation window is extended to 9 days for Paddle Tennis and 10 days for Tennis. The advance reservation cutoff is 12 hours prior to the desired reservation start time – unreserved courts after that cutoff are available for open play. Residents must email ohrchelp@gmail.com to request a reservation log-in ID.

OPEN PLAY: Any resident may walk on to any unreserved open court at any time during "open play" and use that court (with other residents or with their guests) for up to 60 minutes (paddle tennis and pickleball) or 90 minutes (tennis) or until the next reservation starts, whichever is sooner. The resident is required to yield the court promptly at the end of that time if there is another resident waiting to use the court; otherwise, the resident may continue to use the court until it is needed by another resident.

CLASSES: All classes require advance sign-up; some are for Racquet Club members only. Contact the Racquet Club Help Desk at ohrchelp@gmail.com for more information.

RULES OF PLAY: All residents are expected to follow the OHCC rules for play. Find them on the Racquet Club website <https://www.ohccracquetclub.org> and posted at the courts. Residents are responsible for their guests.
