

Racquet Club Meeting Minutes

April 27, 2020

Meeting was conducted via Zoom. It was called to order at 3:03 pm by Cliff Singh.

Board members present - Cliff Singh, Ann Rike, Sid Saltzman, Karen Burke, David Johnson, Dannica Wood and Rob Schoonover.

Sport Committee members present - Allan Singer, Kevin Cryan, Susie Anson, David Levine and Patty Coffey

- Welcome

Cliff Singh welcomed everyone to the meeting. He wished us all well during in these difficult times.

- Reopening the courts - Ann Rike & Cliff Singh

Cliff and Ann have had good communication with the Master Board. They want a list of recommendations of what will be needed to reopen the courts when allowed and a list of recommended rules for safety, sanitation and social distancing. It will probably be a several phase opening.

- A. We will need the courts power washed.
- B. We will need signs.
- C. Remove excess chairs. Should players bring their own chairs? Remaining chairs would need to be cleaned. How often should they continue to be cleaned? Can we mark where they should be placed for social distancing?
- D. Gates will need to be cleaned. Can they be secured to require as little contact as possible when opening and closing?
- E. Ball washing capabilities at all courts.

- Court reservation system - David Johnson

- A. We should start with reservations up to 1 hour per court for pickleball and paddle tennis and 1 1/2 hrs. for tennis. Add a buffer between games for social distancing.
- B. Singles will definitely be available. We will follow all mandates as far as doubles being available.
- C. We will allocate specific times for paddle tennis.
- D. All courts are equal- no beginners or advanced. You will pick your own team mates.
- E. T1 will be used exclusively as 2 pickleball courts.
- F. Residents only.

- Response to Master Board -

We would like to get a response to them as soon as possible.

- Communicating with our membership -
 - A. Heidi James will hold off writing a farewell article about Herb until a later date.
 - B. David Johnson is finalizing a survey to send to the entire Racquet Club membership. It will help gauge their opinions and commitment to our safety and sanitation rules and feedback on our reservation system.
 - C. Compliance complaints will go to the appropriate committee first- not the board.
- Herb status-

Herb will continue to be available to mentor Cliff.
- Future board meetings -

Cliff would like to limit emails but have more board meetings. He would like one a month.

Meeting adjourned at 4:22 pm

Karen Burke
